

**Brand Fiberlock**  
**Product Shockwave**  
**Item Number: 8310-CA**

| <b>Ingredient</b>                        | <b>CAS#</b> | <b>Function</b>     | <b>Designated Lists</b> |
|--|-------------|---------------------|-------------------------|
| Deionized Water                          | 7732-18-5   | Solvent             |                         |
| Alcohols, C12-14-secondary, ethoxylated  | 84133-50-6  | Surfactant          |                         |
| Sodium Carbonate                         | 497-19-8    | Builder             |                         |
| Tetrasodium ethylenediamine tetraacetate | 64-02-8     | Chelating agent     |                         |
| Poly(ethylene oxide)                     | 25322-68-3  | Non-functional      |                         |
| Sodium hydroxyacetate                    | 2836-32-0   | Non-functional      |                         |
| Sodium hydroxide                         | 1310-73-2   | Non-functional      | 20                      |
| Trisodium nitrilotriacetate              | 5064-31-3   | Non-functional      | 9                       |
| Galaxolide                               | 1222-05-5   | Fragrance component |                         |
| Acid Blue 25                             | 6408-78-2   | Colorant            | 1,9                     |
| Benzyl Acetate                           | 140-11-4    | Fragrance component |                         |
