

**Brand Storm****Product Storm Solutions Step 1****Item Number: 69002XX**

| <b>Ingredient</b>                        | <b>CAS#</b> | <b>Function</b>              | <b>Designated Lists</b> |
|--|-------------|------------------------------|-------------------------|
| Hydrogen Peroxide                        | 7722-84-1   | Bleaching agent              | 9                       |
| Alcohols, C9-11, ethoxylated             | 68439-46-3  | Surfactant/emulsifying agent |                         |
| 1-Hydroxyethylidene-1,1diphosphonic acid | 2809-21-4   | Chelating agent              |                         |
| Sodium hydroxide                         | 1310-73-2   | Builder                      | 20                      |
| Sodium octanesulfonate                   | 5324-84-5   | Surfactant                   |                         |
| Etidronic Acid                           | 2809-21-4   | Non-functional               |                         |
| Sodium sulfate                           | 7757-82-6   | Non-functional               |                         |
| Isopropanol                              | 67-63-0     | Non-functional               | 20,9                    |
